VideoLAN Dev Days '09

A Multimedia Conference that frees the cone in you!

Friday, December 18, 2009 - Sunday, December 20, 2009
Paris, France

We would like to thanks a lots our sponsors:

VideoLAN Dev Days Schedule

This is a non-final schedule. It will change.

Nota Bene: all the events of the schedule are open to everyone.

However, many of them can lack interest if you are not part of the VideoLAN or open-source multimedia communities. Therefore, the events that are more open to everyone are marked with underlines

Friday, December 18th 2009

10h00 – 13h00	<i>Epitech</i>	Welcome and meet-up for early attenders. Open discussion and open questions for press.
13h00 – 13h30	<i>Epitech A.1</i>	Welcome, registration. Opening remarks (13h20 – <i>Jean-Baptiste Kempf</i>)
13h30 – 14h30	<i>Epitech A.1</i>	Presentations of various projects (20min per project) <i>SQL integration, extensions, DVBlasT (subject to change)</i>
14h30 – 17h30	<i>Epitech A.1</i>	Technical discussions/trolls around VLC. <i>This time is ONLY for technical discussions around VLC and not for administrative, copyright, websites or other VideoLAN organisation matters.</i>
17h30 – 18h00	<i>Epitech A.1</i>	Presentations of VLMC. <i>Presented by Ludovic Fauvet and his team</i>
<u>19h30</u>	<u><i>La Cantine</i></u>	<u>Soirée “Cone Power” at La Cantine, sponsored by Ile-de-France Region.</u> <i>Presentation of VideoLAN and of VLC 1.1.0</i> Open to everyone and especially to non-technical people. Libre community, old VideoLAN men, spouses, partners, press and bloggers are very welcome to join.

Saturday, December 19th 2009
