

VideoLAN Dev Days '09

A Multimedia Conference that frees the cone in you!

Friday, December 18, 2009 - Sunday, December 20, 2009
Paris, France

We would like to welcome you to the second edition of the VideoLAN Dev Days.

*This set of meetings, conference, presentations, unconference, lunches and dinners are made by and for **YOU**, the VideoLAN community.*

*Therefore, the success of those days depends only on **YOU**.*

Jb Kempf

We would like to thanks a lots our sponsors:

VideoLAN Dev Days Schedule

Nota Bene: all the events of the schedule are **open** to everyone.

However, many of them can lack interest if you are not part of the VideoLAN or open-source multimedia communities. Therefore, the events that are more open to everyone are marked with underlines
